The “**Robert G. Bobo Memorial**” Golf Outing is held annually to support the Hot Stover’s Scholarship Fund and the South Jersey Baseball Hall of Fame Museum which will soon have a new home in the William G. Rohrer Center of Camden County College in Cherry Hill.

This museum was designed and built by a South Jersey individual who has created many first class exhibits throughout the world. Photos, memorabilia and many other related materials can be viewed chronologically as you walk through the gallery. The backdrop includes action shots on a large mural that will extend throughout the room. The mural of various Hall of Fame members begins with players from the 1900’s, and continues throughout the century, to a section that honors various current pro players. Highlights of each decade are part of the mural and more than 225 plaques hang in honor of each of the Hall of Fame inductees.

The South Jersey Baseball Hall of Fame has been a quality exhibit that, with your (financial) support, will continue to grow and improve. Features include a touchscreen computer to encourage visitors to search for various Hall of Famers to view their biographies, stats and exciting photos.

The South Jersey Baseball Hall of Fame wishes you all a great round of golf on the beautiful and challenging Valleybrook Country Club Golf Course. Have a wonderful day and enjoy the banquet, drinks, prizes and camaraderie of your fellow golfers.
