The “**Robert G. Bobo Memorial**” Golf Outing is held annually to support the Hot Stover’s Scholarship Fund and the South Jersey Baseball Hall of Fame Museum which can be found in its new home at the William G. Rohrer Center of Camden County College in Cherry Hill.

A very special salute to World Series winners welcomes visitors when entering. Photos, memorabilia, and many other related materials will be viewed chronologically as you walk through the gallery. The backdrop includes action shots on a large mural extends throughout the second floor. A mural of various Hall of Fame members begins with players from the 1900’s, and continues throughout the century, leading to a section that honors various current professional players. Highlights of each decade are a part of the mural, including more than 250 plaques hanging in honor of each of the Hall of Fame Inductees.

The South Jersey Baseball Hall of Fame is a quality exhibit that, with your (financial) support, will continue to grow and improve. Planned features include a QR code audio guide to encourage visitors to search for various Hall of Famers to hear their biographies and interesting personal baseball tidbits.

The South Jersey Baseball Hall of Fame wishes you all a great round of golf on the beautiful and challenging Valleybrook Country Club Golf Course. Have a wonderful day and enjoy the food, drink, prizes, and camaraderie of your fellow golfers.

Hole Sponsors, please use this example:

<p>BENEFICIAL BANK 3301 Chew Ave, Bldg D Philadelphia, PA 19138 215-713-3750</p> <p>The South Jersey Baseball Hall of Fame</p>
